- A sign was placed on PID 818500 on February 9th, 2024, directing people to contact the municipality for specific details.

▪ **Development Officer Presentation**

The Municipality's Development Officer presented a development proposal to rezone 34 acres from RA to RR, subdivide into 13 residential lots of varying sizes, greater than or equal to 1 acre each near the water as well as technical information related to the rezoning application. The presentation is attached hereto forming a part of this minutes.

■ Public Input

Twenty people attended the meeting. The audience asked questions and gave feedback concerning:

- Losing the landscape and unique beauty of the vista and the necessity of protecting the viewscape
- The loss of agricultural land
- The flow of water and flooding
- Wastewater management
- Environmental impact
- Who will pay for the road
- Increased traffic and safety concerns for the current residents
- Surrounding utilities are underground, and some residents do not want utility poles nearby
- Lack of amenities in the area for the large influx of population that 72 units would create
- Possible loss of and how to preserve the view
- Some residents stated there is enough of a slope to the land that scenic views will not be impacted much
- Development is needed, and this is a good idea
- What is the buffer zone between agricultural land and residential land?
- Existing access to the beach must not be blocked
- Is it mandatory that 10% of land be dedicated to parkland?
- Will this development increase the land and property value and, consequently, raise property tax?
- Development should aim to be affordable
- Resident voiced appreciation for the process and public engagement

- Rising water levels along the shore due to the climate change
- Concerns about buffer zone, septic system and quality of well water
- Protecting the land for the next generation

▪ **Adjournment**

Mayor Smith MacPhail thanked the audience for their attendance and input. She reminded attendees that written Public Feedback is welcome until March 8th at 6 P.M.

Mr. Buchanan thanked the audience.

Existing Zone:

The Rural Municipality of West River

July 21, 2022

Map Index: D4

-  Road Network (2020)
-  Commercial Industrial (C1)
-  Parks and Recreation (PR)
-  Rural Area (RA)
-  Rural Residential (RR)
-  Environmental Risk (ER)

Appendix 3.1 (Continued)

Rural Area Zone (RA)

Permitted uses :

- a. agricultural uses;
- b. fishery uses;
- c. forestry uses;
- d. resource-related commercial uses;
- e. animal sanctuaries;
- f. single-detached dwellings;
- g. duplex dwellings and semi-detached dwellings; and
- h. commercial uses.

Subdivision in the Rural Area zone (RA)

Land Use Bylaw states that “Within a Rural Area Zone (RA), subdivisions shall be restricted to existing parcels only and no person shall be permitted to subdivide more than four (4) lots, no more than two (2) of which may be approved for uses other than residential uses or resource-related uses.” However, there is no explicit restriction to subdivide existing parcels in Rural Residential. Hence, the applicant applied to re-zone the parcel from Rural Area (RA) to Rural residential (RR). The proposed rezoning would require amendment to the zoning map.

Subsection 12.1(2) of the Land Use Bylaw, states than “A change to either the text of this Bylaw or the Zoning Map is an amendment, and any amendment shall be consistent with the policies of the Official Plan.”

Rural Residential (RR)

Permitted uses :

- a. single-detached dwellings;
- b. duplex dwellings and semi-detached dwellings;
- c. apartment dwellings; and
- d. townhouse dwellings.
